

COMPETITION TEAMS JR/SR – 2021-2022 SEASON

- ATTN: PARENTS AND DANCERS
- Below is the information regarding this year's competition team classes and associated fees. Please let Amy Rink (sparkcenter@gmail.com) know asap if you are interested in joining the competition team. All dancers must be pre-approved by Ms. Amy.
- Requirements:
 - Rehearsal dates/times will be arranged according to dancer's availability and space availability. Therefore, it is very important that dancers attend rehearsals. Dancers are allowed 3 excused absences. Dancers will be asked to drop out of the competition team/performance if they exceed 3 absences.
 - All dancers who are current students of SPARK must be teacher approved. If you are new to SPARK, you must arrange for a separate audition.
 - Dancers must be enrolled in at least one other SPARK class for the season (Sept –June) since the classes for the competition team are more like rehearsals. This ensures that dancers continue to practice and grow their technique.
 - Dancers will be required to pick up choreography quickly since the choreographer will only be available for one weekend to set the dance. The dance will be a unique and challenging dance.
 - Dancers will be required to participate in competitions. Dates will be discussed at the end of September when all dancers know their school schedules.
- All dancers will perform in both the SPARK winter and spring 2021/2022 dance concerts.
- Dancers will be responsible to cover the costs below. Contact Amy Rink with any questions, sparkcenter@gmail.com .
